### **INTRODUCTION**

Welcome to the “Blue Card” membership program, a program that will allow your company to satisfy its’ corporate travel needs by providing staff with “Quality Transportation” between all the major cities in the Maritime Provinces at very reasonable rates. This is an innovative program introduced by EastLink Shuttle Express Inc. to help our local business and professional communities as well as staff of many medium and large corporations to travel in a convenient, comfortable and yet affordable means between all the major cities, here in the Maritime Provinces.

With just as little as a \$ 300<sup>+HST</sup> annual membership fee, your company can enjoy special rates and benefits. This annual membership fee will allow your staff (a minimum of 5 members per group) to travel economically rather than your company having to rent a car or pay mileage allowances. Trip charges are based on the distances between the cities. Special group rates for small and medium size groups from 5 to 30 are also available.

Become a member today, step into our shuttles directly from the office or your home, and be assured that each and every trip will be a productive and pleasant experience.
